Sharp, C., 15–16
Smith, C. J., 99, 103–104
Smith, D. H., 105
Smith, J. K., 36–37, 37, 112
Stonehouse, B., 152, 153

Taylor, R., 108
Thayre, M. E., 137–138
Tullett, P. A., 125–128

Wall, T., 102, 109
Wallis, A. J., 97, 100–101, 102–103
Whitehead, J., 15–16

Yalden, D. W., 3–8, 47, 47–48

INDEX

Acarology
A new species of *Poecilochirus* from Yorkshire, 17–21; *Amblygamasus dentipes* new to the British Isles, 55–59

Biography
Naturalists on Hatfield Moor, 59–60; Botanical records made by William Gawthorp, 147–150

Book Reviews
35–39, 46–48, 54, 68–72, 90, 109–112, 123–124, 137–138, 144, 152, 153–155

Botany
Juncus ambiguus in Yorkshire, 23; *Rhododendron ponticum* in the Peak District and Sheffield area, 61–67; *Taraxacum* in south-east Yorkshire, 87–90; Botanical records made by William Gawthorp, 147–150

Bryology
YNU Bryological Section: annual report 1984–1985, 33–35

Crustacea
Chinese Mitten Crabs, 146

Entomology
Insect fauna of Common Rock-rose, 9–15; Hemiptera report, 21–22; Coleoptera reports, 25–30, 91–96; Aculeate Hymenoptera report, 31–33; *Bombus monticola* on heather moorland in north-east Scotland, 73–78; Two new species of Scuttle fly from Malham Tarn, 113–121; Coleoptera from lowland wetland in north Northumberland, 121–123; *Vespa crabro* nesting in Yorkshire, 145; Notable insects at Caydale, 146; *Chamaemyia juncorum* in Yorkshire, 152–153

Film Review
24

Lichenology
Acarospora umbilicata new to Yorkshire and *Polysporina dubia* new to England, 139–144

Mammals
Small mammals at Filey, 15–16

Natural History
Forty years on: changes in natural history studies since 1945, 41–46

Obituary
George Edward Hyde, 67–68

Ornithology
Black Grouse in the Peak District 1975–1985, 3–8; Kestrel population of Snowdonia, 49–54; Breeding birds of a stretch of the River Tees 1979–1983, 79–86; Short-eared Owl, 91; Breeding biology of Ravens in two upland regions of North Wales, 129–137; Swallows, 151; New Zealand decoy, 151–152

Parasitism
Helobdella stagnalis as a hyperparasite of *Hirudo medicinalis*, 125–128

Yorkshire Naturalists' Union
YNU excursions in 1985, 97–109
